NOTICE

TRAVEL ADVISORY FOR FOREIGN NATIONALS VISITING INDIA

It is informed that Indian visa services have been resumed for nationals of Uganda and nationals of other countries who have visited Uganda within 21 days prior to applying for an Indian visa. However, in view of the temporary WHO public health recommendations, measures including submission of a self-declaration form, thermal screening and monitoring of travellers from Uganda will continue to remain in place.

2. All concerned travellers visiting India from Uganda are advised to comply with these requirements.
