3.	Section 6. Pre-Qualification Criteria	**Annual Turnover**: Is the requirement for an average annual turnover of at least AUD 3,675,000 over three of the last five financial years a strict criterion? Our current turnover for 2025/26 is just over $1 million, so our three-year average will fall short of the stated threshold.	Average annual turnover in any three years during last five financial years ending 2024-25, should be at least AUD 3,675,000. The Bidding Company shall provide audited information certified by an external auditing agency to substantiate the claim of its turnover.	**Revised Clause:** Average annual turnover in any three years during last five financial years ending 2024-25, should be at least AUD 1,500,000. The Bidding Company shall provide audited information certified by an external auditing agency to substantiate the claim of its turnover.
4.	Section 6. Pre-Qualification Criteria (Pg no.- 12,13)	**Solvency Certificate:** Solvency certificates issued by a scheduled bank are not standard practice in Australia. Would an accountant's letter be acceptable instead?	The Bidder shall submit Solvency Certificate issued by a scheduled bank. The certificate should not be older than six months.	We understand that bank issued solvency certificates may not be common practice in Australia. In such cases, an equivalent certificate or letter from a qualified accountant, supported by relevant financial documentation, may be submitted for consideration. **Revised Clause:** The Bidder shall submit Solvency Certificate issued by a scheduled bank. The certificate should not be older than six months. **Or** an equivalent certificate or letter from a qualified accountant, supported by relevant financial documentation, may be submitted for consideration.
