CII TNTDPC
Learning Mission for Industries
Bharat Fritz Werner Ltd & Siemens Experience Centre
Bangalore – September 28, 2026

Greetings from CII TNTDPC!!

Sharing best practices from leading manufacturing facilities is a vital step toward building a smarter, more competitive and future-ready industrial ecosystem. It allows companies to learn how others are solving everyday shopfloor challenges, from managing workforce efficiency and improving machine uptime to reducing material wastage and ensuring consistent delivery timelines. These practical learnings can be applied immediately to improve performance and achieve measurable results.

With this background CII TNTDPC (Technology Centre of CII) is organizing a one-day Learning Mission (Plant Visit) in Bangalore on 28 September 2026, offering participants exclusive visits to

Bharat Fritz Werner Ltd

1. Bharat Fritz Werner (BFW), Bengaluru manufactures a wide range of advanced machine tools, including CNC machining centres, turning centres, 5-axis machines, turn-mill machines and customised machining solutions for precision manufacturing.

2. The facility provides exposure to advanced manufacturing and Industry 4.0 technologies, including automation, robotics, digital manufacturing, IoT-enabled systems and precision engineering processes, supporting applications across automotive, aerospace, defence, energy and other industries

3. The industrial visit offers an opportunity to understand how machine tools are designed, manufactured, assembled and tested, while providing practical insights into precision machining, automation, quality control and modern smart manufacturing practices.

The Siemens Experience Center

1. The visit to **Siemens' Digital Enterprise vision** will feature demonstrations of **Designcenter** for product design and engineering and **Simcenter** for virtual and physical validation, highlighting testing, measurement and performance verification.

2. A walkthrough of Siemens' Manufacturing platform **Opcenter**, showcasing digital manufacturing and Industry 4.0 solutions, including connected manufacturing, data-driven decision-making and shopfloor digitalization.

1. The visit will provide participants with a practical view of how organizations can accelerate innovation, improve quality, and connect design, validation, and manufacturing within a unified digital enterprise.

The schedule is as follows:

Day	Date	Visit Planned & Company
Day 1 (FN)	September 28	Bharat Fritz Werner
Day 1 (AN)	September 28	Siemens Digital Experience Centre (Second Half)

(Timings of visit will be shared closer to the program)

Tamil Nadu
TDPC

Confederation of Indian Industry

Who should Attend:

- Plant Heads, Manufacturing Heads and Operations Heads
- Engineering, R&D and Product Development Heads
- Digital Transformation and Industry 4.0 Professionals
- Automation, Robotics, IoT and Smart Manufacturing Professionals
- Quality, Operational Excellence and Continuous Improvement Professionals
- IT, OT and Industrial Cybersecurity Professionals
- Production, Process and Supply Chain Management Professionals

Participation Fee / Participant:

- *Rs. 8,000 + 18% GST – CII Member Category*
- *Rs. 10,000 + 18% GST – Non-Member Category*

- *The participation fee includes local surface transport (A/C Luxury Coach). It does not include costs on account of hotel accommodation, travel, etc.*
- ***Please note: Since there are limited seats available (25 -30), participation will be on first come first serve basis.***
- *Admission is subject to the host companies' discretion.*

Kindly use the following format to send in your confirmation/nominations to r.mahalakshmi@cii.in

S.No	Name	Designation	Company	Email ID	Mobile No	City
1						
2						
3						
Billing Address:				GST Number:		

The delegate fee can be done online/NEFT. We will send the details on receipt of your confirmation.

I am writing to request you to participate / nominate representatives from your company to be part of this learning mission, to enhance the learning experience.

For more details, please contact Ms Mahalakshmi | 9940045284 | r.mahalakshmi@cii.in

Looking forward to your kind confirmation.
