

Consulate General of India Perth

ADVISORY

Registration on MADAD portal by Indian students studying Abroad

Ministry of External Affairs, Government of India has launched a Student Registration Module within the online Consular Services Management System (also known as MADAD) portal with the objective of compiling data and creating a database of Indian students studying abroad.

The homepage of MADAD portal provides basic guidance on how students can register themselves on module:

Link to Website: <http://www.madad.gov.in/AppConsular/welcomeLink>

The information received from the module shall not be disclosed to third parties. Registering the data will facilitate better connectivity of Indian students with Indian Embassies/Consulates abroad in case of need.

All Indian students studying in Western-Australia and Northern Territory are therefore requested to get themselves registered with the MADAD portal of the Government of India at the earliest.
