Dear Sir / Madam,

Subject: Expression of Interest (Eoi) for Technology tie-up for Type-IV Composite Cylinders (Hydrogen & CNG)

Season's best greetings from Bharat Heavy Electricals Limited (BHEL), India!!

BHEL is a leading state-owned company, wherein Government of India is holding 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of Indian economy viz. energy, transportation, heavy engineering industry, defence, renewable and non-conventional energy.

BHEL seeks responses from Prospective Collaborator(s) of Type-IV Composite Cylinders (Hydrogen & CNG), who are meeting the requirements of the Eoi, floated by BHEL and are willing to be associated with BHEL through a long term Technical & Manufacturing Assistance Agreement (TMAA) to enable BHEL to design, engineer, manufacture, assemble, install, perform quality control checks, test, supply, operate, service and troubleshoot of Type-IV Composite Cylinders (Hydrogen & CNG) to meet market requirements.

We have uploaded the Eoi document at BHEL website (www.bhel.com) and the same is also available through the following link:

<https://bhel.com/expression-interest-eoi-technology-tie-type-iv-composite-cylinders>

We solicit your kind support to advise commercial section of your High Commission/Embassy to publicise our Eoi document among technology owning companies engaged in this area, so that BHEL can receive a wider response.

Thanking you,

Yours sincerely,

(R.C. Sharma)
