Advisory regarding updation of New Passport details in OCI card

All OCI cardholders have to update their new passport details in their OCI card whenever they receive a new passport.

2. They have to submit an application for “Updation of Passport Details” through https://ociservices.gov.in/onlineOCI/ with the concerned Indian Embassy/Consulate, within three months of the issuance of a new passport. Failure to submit the application within the prescribed period may attract a penalty fee of AUD 43.

3. If there are changes in their personal particulars, such as name, nationality, parents’ names, spouse’s name, etc. They have to submit an application for “Updation of personal particulars”.

4. OCI cardholders who have already submitted their application for updating their new passport details may travel to/from India without any travel restrictions during the period until their application is acknowledged in the online system by the respective Indian Embassy/Consulate. In this regard, it is advised to carry both old & new passport along with OCI card while travelling to/from India.
